Enkelte modeller rykkes en gruppe op grundet afmontering af specielle inderskærme og bundplader.

### Komplet 2-lags behandling

Bruges som førstegangsbehandling til biler på op til 3 år samt efterbehandling. Inderskærme samt bundplade og motorskjold afmonteres altid. Indleveringstid 2 døgn.

### Special 3-lags behandling

Anbefales som førstegangsbehandling til biler på 3 år og derover, samt biler med meget overfladerust/gravrust således at igangværende rustangreb stoppes. Indleveringstid min. 3 døgn.

### Vedligeholdelses behandling

Til biler der gentagne gange tidligere er behandlet og som med begrænset kilometerantal fremstår i god vedligeholdet stand. Indleveringstid 2 døgn.

### Beskyttelse med inderskærme - et godt supplement!

Inderskærmene forhindrer snavs og salt i at hobe sig op i skærmens hjørner i store mængder. Pris pr. sæt for- eller bagskærme inkl. montering kr. 1.395,-. I forbindelse med behandling er prisen kun kr. 1.175,-!

Priserne er inkl. moms og miljøtillæg samt olieafgift.

**PAVA**

- den originale

**LEVETIDSGARANTI MOD GENNEMTÆRING - TÆNK PÅ RUSTEN FØR DEN KOMMER**
